

# Rocosoft Inc. Integrator/Reseller Partner Program

Our Integrator/Reseller Partner Program is open to resellers, system integrators, and complete solution providers that want to offer Rocosoft PTZ control products as a solution for their clients. We know the most important part of the job is to implement the solution that is in the best interest of the client and we are committed to helping you succeed. Whether your client needs PTZ Control Software, VISCA Control Cables and Multiplexers, or both, becoming our partner gives you added tools for your “toolbox” of solutions.

## **Benefits**

- **Product resale rights**
- **No minimum sales volume requirements**
- **Partner Discounts based on sales levels**
- **Pre-sale assistance and project pricing support**
- **Complimentary not-for-resale demo software licenses**
- **Software feature training**
